Dear Members of the NOLA-PS Community,

As we complete this school year and look towards the next, we know that many of you have questions and concerns about what school may look like and how students and staff will be safe.

NOLA-PS is working hand in hand with school leaders, teachers, and health experts to develop the plan for how schools can reopen safely. To help in developing this plan, we need your feedback as well.

Please take a few moments to complete this survey to help inform plans for reopening:

- English: https://www.surveymonkey.com/r/CSFQ5Y7
- Español: https://www.surveymonkey.com/r/2YR5KL3
- Viet: https://www.surveymonkey.com/r/D8DFZP3

The survey is seeking responses from NOLA-PS students in grades 6-12, parents/guardians, educators, and community members. Please respond by June 5th, 2020.

We can do this!

-Monique G. Cola, Ph.D.
