Professional, school uniforms help students focus on what matters most at school: learning!

New Orleans Charter Science and Math High School continuously strives to create a positive school culture so that our students can focus on learning. This means paying attention to every detail, big and small, to ensure that our students succeed academically.

We believe that school uniforms have a beneficial impact on students' self-esteem, attendance, and discipline. Uniforms eliminate unnecessary distractions, build a positive school environment, create a sense of pride and belonging, and ensure students' focus remains on academic success. Uniforms are an important part of the SCI HIGH culture.

This student is dressed in our SCI HIGH crew neck sweater, polo, and khakis pants.

Above, you can see a group of our students proudly wearing their plaid and khaki pants, polos, cardigans, and SCI HS Spirit T-shirts!

Students have the option to buy a blue, black, or grey sweatshirt or sweater, and they can request our approved vendors to add the school's logo.
